

ROYAL JAVAN

THE BEST FOR THE BEST

ROYAL JAVAN
NUTS & DRIED FRUITS

Arzesh Afarin Niknam has over 50 years of experience in pistachio cultivation and the nut trading industry. The company focuses on the wholesale distribution of pistachios and dried fruits. It has recently expanded its operations with a modern processing and packaging facility. This allows us to supply high-quality products directly to consumers.

We proudly offer the **"Royal Javan"** brand, ensuring premium standards and customer satisfaction. At Royal Javan, we offer high-quality nuts and dried fruits that meet international standards. We focus on health, freshness, and taste. Industry experts carefully monitor every step of the process—from cultivation to packaging—to ensure exceptional quality and full compliance with global standards.

Combining over 5 decades of industrial mastery with the innovation of our young, talented team, we aim to create a unique experience for our customers. Royal Javan stands for luxury in the world of pistachios and dried fruits, reflecting our core values of quality, customer focus, and innovation in international markets.

PISTACHIOS

Pistachios are globally recognized for their nutritional value and delicious taste, making them a nutritious and flavorful snack. Among them, Iranian pistachios are particularly prized for their exceptional flavor and quality.

At **Royal Javan**, we take pride in cultivating premium Iranian pistachios exclusively in our orchards, under the strict supervision of experts. This unique approach is our key competitive advantage, ensuring that each stage of production adheres to the highest international standards. We are committed to delivering excellence in every aspect of our work, ensuring we meet the expectations of even the most discerning palates. Choosing our pistachios means enjoying a unique flavor profile while making a healthy, nutritious choice.

Experience the excellence of Royal Javan pistachios, where tradition meets innovation!

Raw pistachios

Raw pistachios are a completely natural product — unprocessed and free of any additives. Just like our other pistachio varieties, they open naturally. This option is perfect for those looking for a pure, untouched product straight from nature.

Saffron Pistachios

Saffron pistachios are a luxurious and unique product roasted with premium Persian saffron. Beyond their exceptional taste, saffron offers numerous health benefits, such as boosting the immune system, improving mood, and enhancing focus. We carefully sort and roast these pistachios before blending them with premium saffron, resulting in a delightful flavor and vibrant color.

Salted Pistachios

Our salted pistachios strike the perfect balance between rich flavor and satisfying crunch, making them ideal for anyone who enjoys salty snacks. Sourced from premium pistachio farms, these nuts are expertly roasted and lightly salted to bring out their natural taste. Whether you're hosting a party, tossing them into a salad, or looking for a quick snack, these pistachios are a deliciously versatile choice.

Saffron Cashews: Where Luxury Meets Flavor

We proudly present our saffron cashews, a luxurious snack that elevates the traditional cashew experience. Each cashew is carefully selected and gently roasted with the richness of premium saffron. This blend creates a delightful combination of creamy texture and captivating flavor, making them perfect for those craving something truly special.

Discover the unique taste and significant health benefits of our saffron cashews, and enjoy a cashew experience like no other.

Perfectly Roasted Almonds for Guilt-Free Snacking

Our premium almonds offer a top-quality snacking option. We meticulously select the finest almonds to ensure an exceptional taste experience. Each batch is carefully roasted to perfection, enhancing their natural flavors and providing a delightful crunch and rich taste. In addition to their great taste, almonds are incredibly nutritious, packed with healthy fats, protein, fiber, vitamin E, magnesium, and antioxidants.

These top-quality almonds offer delightful flavor along with numerous health benefits.

Arabic Mixed Nuts: A Bold Fusion of Four Favorites

This product is a mixture of pistachio kernels, hazelnuts, cashews, and almonds. Each nut is carefully chosen for its quality and health benefits. Once selected, they are expertly roasted in the Arabic style to perfection, enhancing their natural flavors. The result is a wholesome snack that is entirely natural, and free from any chemical additives. It satisfies your cravings while offering a naturally healthy snack .

Roasted Mixed Nuts: Ideal For lovers of variety

Our Mixed Nuts features a delightful blend of roasted pistachios, almonds, saffron cashews, and lightly salted hazelnuts. This exquisite combination is perfect for those who appreciate variety and love exploring different flavors all in one package. Each nut is carefully selected and perfectly roasted to provide a unique taste.

These Mixed Nuts are ideal for snacking, entertaining, or enhancing your culinary creations, offering a luxurious and enjoyable experience for every occasion. Discover the richness of flavors and textures in our Premium Mixed Nuts—a must-have for any nut lover.

Dried Figs: Naturally Sweet, Naturally Energizing

Experience the natural sweetness and numerous health benefits of our premium dried figs, sourced from the finest orchards. These figs are carefully sun-dried to perfection, preserving their natural sweetness and perfectly chewy texture. Hand-selected for quality, they offer a true taste of nature in every bite, making them a perfect snack for anyone who loves healthy, natural treats.

We take pride in offering a completely natural product, meticulously produced to be free from preservatives, added sugars, and artificial flavors. Enjoy a wholesome and pure snacking experience with our dried figs.

Salted Roasted Hazelnuts: A Premium Quality Delicacy

Roasted hazelnut kernels are a delicious and nutritious snack, packed with natural goodness. We source the finest hazelnuts from quality orchards and separate the kernels from their skins. Kernels are then lightly roasted to perfection, enhancing their inherent flavor. A precise amount of natural salt is delicately applied to the roasted hazelnuts, creating a delightful balance of savory and nutty taste.

Hazelnuts are well-known for their numerous health benefits. They are a great source of healthy fats, fiber, protein, vitamins, and minerals, all supporting a balanced diet. Incorporating roasted hazelnuts into your daily routine can promote overall well-being and support a healthy lifestyle.

Roasted Sunflower Seeds with Angeli: A fragrant and invigorating experience

Roasted sunflower seeds infused with the distinct flavor of Angelica offer a delightful and unique experience for those who appreciate exceptional tastes. Made from carefully selected, top-quality seeds, these snacks are expertly blended with the aromatic essence of Angelica, known for its rich and pleasant fragrance. It's worth noting that the Angelica flavor in these seeds comes entirely from natural and organic spices. Angelica is celebrated not only for its unique flavor and aroma but also for its medicinal benefits.

Their delicious taste is sure to impress. But beyond flavor, they offer a healthy way to boost your energy and support overall wellness — all thanks to their organic, all-natural ingredients.
